Add contact details
to Contact Page and
Address

Footer is weird more balance
make things larger

Better media, photos
etc

Try combining
about and home

Easy and straight forward
Design good, very clear like

Put location in about
banner

Separate hamburger menu
from "Home"

add jobs to contact Page

Likes the menu more on phone
L maybe like that on phone

Likes the google maps
Reader, menu Navigation
Maybe look at other, post
Reviews

Navigation is Pretty
good

Make modern Image taller

Clear Navigation Page underline
More call to actions

Style the footer better

Center the footer content

Make
menu bar
more
clear

Make banners
more readable

Make header Images taller

Likes the menu

~~more~~ Repeat the branding
text in pages
